PURDUE UNIVERSITY | Department of Computer Science

Scholarship Donor Reply Form

Deadline for Preferential Award February 10, 2027

Company/Individual Name: _____

Yes, I would like to sponsor merit scholarships for students in the Department of Computer Science!

All students with a 3.0 GPA or above will be considered unless additional criteria (optional) is specified:

- □ Preference for financial need, as determined by the Division of Financial Aid at Purdue University
- □ Domestic student as defined by the University**

_____Number of Scholarships @ $_____

Enclosed is our company check made payable to:
Purdue Foundation
Attn: John Langenkamp
Purdue University
305 N. University Street
West Lafayette, IN 47907-2107

Scholarship Process

* Students complete an application describing their academic progress, extracurricular involvement and career aspirations. A committee of undergraduate faculty and staff determine awards.

* Students receive the award as a credit toward tuition and fees at the University. Scholarship checks must be received by the CS Department and then will be processed through Purdue's Office of Financial Aid.

** Domestic students include U.S. citizens, U.S. nationals, permanent resident aliens, and aliens lawfully present in and able to establish domicile in the U.S. per federal immigration laws. International students who are holders of F, J and some other visa types are not eligible.

Contact John Langenkamp, jlangenk@purdue.edu or (765)494-6180 with any questions.
