4. Technical Interview Workshop(s)
5. Demo Day
6. Yelp Servers
7. USB Labs
8. Diversity
9. Misc
   a. Cook-In
   b. Freshmen Tshirts

CS Help Room

- Open to all CS 177/180/240 students

- Mon - Thurs nights from 7-9pm in LWSN B158

- USB currently employs ten student tutors

- Two tutors per night

- Average attendance: ~10 students

- Currently investigating possibilities to expand

- Service more classes? Tutor accountability?

Technical Interview Workshop(s)

- Company led interview workshops

  - Go over technical questions

  - Best practices and tips

- Mock Interviews

  - One on one

  - Technical interviews

  - Potentially during company days

  Both require company engineers to participate.

Yelp Server Project

- Yelp is donating servers to USB

- Hosting provided by CS Department

- Providing new services to CS Undergrads

  - Heroku Clone (Dokku)

  - Providing hosting for other student orgs
