Mrs. Ross

My husband, Scott, and I celebrated our 21st anniversary this past May. Scott is a supervisor at Ford Meter Box. We have two children, Chase & Noah. We enjoy playing baseball, camping, swimming, traveling and watching our boys in karate. I also love photography!

I grew up right here in Wabash County and attended NHS. I'm excited to be back at my old stomping grounds. While in high school, I played softball and was a manager for football.

After high school, I attended Purdue University for two years. Then I transferred to IPFW to finish my degree in Elementary Education. I also earned a Kindergarten Endorsement. I have taught Kindergarten, 2nd, 3rd, and now high school.

1st Day Poster

Create a poster to tell about yourself. This poster needs to be creative, look nice, have correct spelling & capitalization and be turned in on time.

Must Include:

- Name
- Grade level
- Photo of yourself
- Plans after high school (job/school)

Choose at least 3:

- What kind of music do you like?
- Favorite Food
- What is one skill you have that makes you unique?
- What is your favorite subject?
- What do you like to do when you are not at school?
- What did you enjoy doing this summer?
