Day 1

What is a DIGITAL FOOTPRINT?

THINK BEFORE
YOU SHARE

Who sees your DIGITAL FOOTPRINT?

Coaches

Teachers

Colleges

Boss

Human
Trafficking

How to protect yourself?

Don't post anything (words or photos) that you wouldn't want your grandma, teacher, coach, or other adult seeing.

Always ask permission before posting a photo of someone else.

If you wouldn't say it to someone's face, don't post it

If you wouldn't want it done to you, don't post it!

Think before you post!

Ask yourself...

“Would you let your grandma follow you?”

“Would you post that if your crush saw it?”

“Would future-you be proud or embarrassed?”

Day 3

What is a DEEP FAKE?

Turn an tell a partner what you think DEEP FAKE means.

A deepfake is a realistic-looking video, image, or audio recording that has been manipulated using artificial intelligence (AI) to make it appear real. Deepfakes can be used to make it seem like someone said or did something they never actually did.

DIEP
NEP.

THIS IS **NOT** MORGAN FREEMAN.

What are your thoughts after watching the video clip?

Did you think it really looked/sounded like Morgan Freeman?

Watch the first 2 minutes of the next video.

How can DEEP FAKES be good?

Create realistic medical images, such as brain MRI scans, to help with diagnosis and treatment

help researchers share data between groups while protecting individual identities

bringing historical figures and events to life

Change movies from one language to another

How can DEEP FAKES be harmful?

Impersonate someone- lose job, embarrassment, etc

Scams, identity theft

Blackmail, cyberbullying, fraud

Can you spot Deep Fakes?

Log in (Google Chrome) and see how you do!
